

## the Jerry Enns Comedy Hypnosis Show

**Jerry Enns** is an enthusiastic performer who creates *fantastic events, treasured memories and laughter* with total *audience participation*.

Your guests will delight, relax and enjoy themselves with sidesplitting laughter while participating enthusiastically in the show.

As the organizer, you will be able to *relax at the event* with a *peace of mind*, knowing that you are in the company of other successful event planners who have secured Jerry's professionalism that results in a safe, tasteful and innovative show.

### **The audience members become the Stars of the Show!**

This re-energizing experience allows your audience or organization to *unite together*, listening to the roar of laughter and the *cheers for the volunteers* on stage. All those in attendance will be mesmerized by the amazing power of the subconscious mind.

This entertaining show provides a humorous and memorable solution for your corporate celebration and entertainment needs.
